MOBILE ROBOT
CONFERENCE

**MARKETING &
SPONSORSHIP
OPPORTUNITIES**

September 17, 2019

Galt House Hotel | Louisville, Kentucky

The Autonomous Mobile Robot Conference brings together users/buyers of mobile robot technologies and systems. They're looking to deploy mobile robots for applications such as warehousing, supply chain, distribution, manufacturing, inventory management, general industry, and more.

Sponsorship is a powerful way to build influence and get your message in front of key stakeholders and decision makers. A variety of options help you extend your brand presence and reach your target audience.
